👛 Professional Experience

Junior Full-Stack Developer

Internship

03/2023 - 05/2023 | Lisbon, Portugal

During my internship, a project was developed in ASP .NET 6, Razor Pages, Dapper and connected to a SQL Server database. Also always using Microsoft Azure tools.

👤 Profile

Full-stack developer with more than 1 year and 5 months of academic experience and internship experience in web and mobile application development, testing, and deployment. Experience building easy-to-use, highly interactive web and mobile apps with a passion for building modern, robust apps.

Experienced in developing applications based on JavaScript, HTML, CSS, C#, SQL Server, ASP .NET MVC, Dapper, Razor Pages, and other modern technologies. Skilled in end-to-end mobile and web application development, including front-end and back-end, databases, APIs, and DevOps. Experience working in a team to ensure timely and successful delivery of projects. Passionate about finding creative solutions to challenging problems.
